REPORT OF GOVERNOR'S ADDRESS

Mr. SPEAKER.—As required by rule 18 (1) of the Rules of procedure and conduct of Busines in the Mysore Legislative Assembly, I report to the House then the Governor was pleased to address the Legislature yesterday on 27th February 1961 and place a copy of the Address on the Table of the House.

GOVERNOR'S ADDRESS

"MEMBERS OF THE LEGISLATURE,

Once again I am happy to welcome you to the Joint Session of the Legislature. On the eve of the Third Plan, we can say with satisfaction that we have come much nearer to our ideal, the establishment of a Welfare State. An outstanding recent achievement in this direction has been the democratic decentralisation whereby effective power has been vested in local bodies.

2. Before I mention our achievements in the various sectors, I should like to refer to what is known as the "border issue". A few months ago, my Chief Minister and the Chief Minister of Maharashtra met and a four-man Committee has been appointed to go into the question. In this Four-man Committee, Mysore has two representatives in Sri S. Channiah, M.L.C. and Sri S. S. Mallimath. We shall await the result of their deliberations.

3. In spite of the difficulties arising in the wake of the re-organisation of States, it is to the credit of my Government that they have been able to make substantial progress in the execution of the Second Five Year Plan.
